Learning Template

Time   **Learning Session**

Delivering Learning	Receiving Learning	Resources Needed

How to use the Learning Template

- If you have a colour printer you will see three shaded areas and a time band.
- Write in the yellow tinted area your learning delivery such as delivery of content, instructions and information.
- Write in the pink tinted area the process of how your learners will receive the information and how they will get involved (reading, group work, reflective session etc.).
- Write in the blue tinted area the learning resources needed for this particular piece of learning.
- Work out your timings and enter them in the time band.
